

Honoring Our Heroes on the Cape

Sponsorship of our 2016 Event

In 2016 Operation Reel Heroes working closely with The Wounded Warrior Project, will hold it's second annual outing out of Yarmouth Cape Cod Massachusetts. This will be a one-day event in which we hope to show our heroes a great day of boating and fishing on the waters of Nantucket Sound culminating with a Cape Cod Style clam bake at a local restaurant on the water.

Last year's event was an overwhelming success and this year we hope to make it even better expanding the size of our fleet and number of veterans we will be taking out on the water. On Friday evening, June 3rd, a captains meeting will be held along with a meet and greet for the participants. Captains bags will be given out and refreshments will be available.

On Saturday morning June 4th, WWP folks will assist the veterans to the boats and oversee the send off. The boats will depart Bass River for a day on the water. The boats will return early afternoon where the participants will be transported to the clam bake and awards banquet.

Saturday afternoon/Evening, a banquet will be held at Skippy's on the Parker River in Yarmouth in honor of the veterans attending. The menu for the evening will be a traditional Cape Cod style clam bake with all the fixings.

More than 40 boats will attend, all owners have volunteered their boats, time, and all expenses to this cause. We expect approximately 40 Veterans or more to take part in addition to support staff from Operation Reel Heroes and The wounded Warrior Project. A total of approximately 300 people will attend the event.

Operation Reel Heroes has already secured town permits, boat launch permits, event location and police detail if needed. The Wounded Warrior Project folks are providing all transportation and accommodations of the veterans as well as providing shirts to all who attend the event.
